ARMADILLO

THE TRAILBLAZER OF OFF-GRID ESCAPADES

Meet the extraordinary Armadillo, a compact marvel at 16'10", built to traverse the narrowest paths, mirroring your car's tracks in the relentless pursuit of adventure. With a robust truss chassis fortified with galvanized armour, the Armadillo promises a partnership that defies the ordinary caravan experience.

YOUR UNCONVENTIONAL COMPANION

The Armadillo transcends the boundaries of traditional caravanning. Its streamlined, narrow profile is designed to flawlessly navigate the most challenging terrains, embracing the wild spirit of your adventure.

SANCTUARY OF TRANQUILITY

At the heart of the Armadillo, discover a full-size east-west bed, an oasis of comfort and tranquility, offering a peaceful reprieve after a day of spirited exploration.

CRAFTED FOR THE UNTAMED

Constructed on an unyielding truss chassis with galvanized fortification, the Armadillo is not just a mode of transportation – it's your unwavering companion in the quest for the undiscovered.

VERSATILE INTERIOR ELEGANCE

Step inside the Armadillo to find a lounge with a straight, unfussy simple design, completed with a swing-away table setup. This creates an expansive and welcoming space. The kitchen, strategically positioned in front of the lounge, marries style with intelligent storage solutions.

INNOVATIVE KITCHEN MASTERY

Despite its compact dimensions, the Armadillo's kitchen is a testament to brilliant design. It features a full-height robe, a double pullout pantry, and handy drawers, offering ample room for culinary creativity. An entry-side cupboard ensures quick access, delivering the utmost convenience.

PRIVATELY YOURS

The Armadillo is equipped with a separate shower and toilet area, concealed behind a sliding door to ensure privacy and unobtrusive functionality. It's an area that seamlessly blends contemporary aesthetics with practicality.

ABUNDANT STORAGE SOLUTIONS

One of the Armadillo's prominent attributes is its vast under-bed storage, and ample overhead storage facility, presenting abundant space to house your travel essentials, ensuring you're always well-equipped for your Armadillo journeys.

EMPOWERING EXPLORATION

The Armadillo comes standard with a BM PRO battery management system, offering customizable power solutions. It's primed for extended adventures with a generous freshwater and a dedicated drinking water tanks.

THE ARMADILLO PLEDGE

The Armadillo isn't just a vehicle; it's a commitment to off-grid adventures brimming with style, utility, and unyielding resilience. Begin your off-grid odyssey with the Armadillo today. Our team is ready to assist you in experiencing the world with a touch of style and the simplicity of exploration. Your journey with the indomitable Armadillo awaits.

A STUDY IN DURABILITY

The Armadillo epitomizes design innovation, boasting a full aluminium-framed structure, top-tier build practices, and a lightweight honeycomb flooring, guaranteeing durability without the burden of excessive weight.
